

## According to the WSIB Health Care Model ...

*“the WSIB will support the provision of **QUALITY HEALTH CARE at the RIGHT TIME** for injured and ill workers to restore them to the maximum function possible.”*

*“the WSIB’s strategy is to create a health care model that is flexible and encourages **TIMELY DELIVERY of OUTCOME BASED health care for injured and ill workers**”*

# We understand the bottom-line impact of timely healthcare

## that's why ... your employees see a doctor faster than any other clinic in the Region \*
